

## Summary of comments:

- Absolutely brilliant nativity with all of the children taking part. Great effort from CCSJ staff yet again
- We wish school provide after school tuition and singing and dance classes
- Offer more after school activities for children. Start morning clubs slightly earlier.
- Thank you Miss Steer and Miss Ponty you have been wonderful, friendly, enthusiastic and good teachers. \*\*\*\*\* loves school
- Really fab, especially adjusting to her learning level
- Miss Steer and Miss Ponty are both very lovely and are doing an excellent job with \*\*\*\*\*. She thinks the world of both of them
- My daughter is very happy at school and I am pleased with her progress and the support the school provides
- Two terms in and I am so happy with the school. \*\*\*\*\* really enjoys it and never doesn't want to come. Happy child, happy mum
- Maybe speak to the local PSCOs about parking outside the school
  
- \*\*\*\*\* has been at the school for two years now and I am very impressed with the progress that she has made and the school in general. The school has shown great support with \*\*\*\*\* medical needs. The school trips are fantastic and level of teaching is excellent! Thank you CCSJ for a fantastic start to my daughters education.
- I want the school can have more or vigilant staff at break times
- My child enjoys school. His special needs are looked at. I enjoy bringing him in the school keeps me involved with his day activities
- \*\*\*\*\* is at times reluctant to come to school in the morning but I can see that he enjoys it once he is here. He has made a lot of progress, particularly with his writing and this is partially down to the support which he has had in year 2. There are opportunities to get involved in after school club but I wished there were also opportunities to learn a second language or play a musical instrument.
- More after school activities, particularly sports for KS1. Love the new exercise books, helps me [parent] engage in \*\*\*\*\* learning. Miss Buzeta is ace and totally gets \*\*\*\*\*. Where is the library???
- \*\*\*\*\* loves coming to school. I love the positive feel to the school. All of the teachers and support staff (Breakfast club and after school club) are very supportive of \*\*\*\*\*. The variation of school trips and activities are great
- I think the children could do more in the community, e.g. fundraising for Comic Relief, Children in Need, fundraising for local charities. When is the library going to be ready?
- I would like more education on keeping themselves safe outside of school and the dangers around them and their surroundings
- I feel that it would be a great benefit if the parents were given a detailed itinerary of what is expected for him/her to have learned prior to the year/semester. This would allow for better preparation and management of the child's learning performance throughout their schooling.
- I feel that communication could be more regular. I am really keen to know what is happening with year 1 and beyond. I love the school branding and the effort you have gone to to make it a good environment. \*\*\*\*\* is flourishing at the school and overall we are really happy she is here.
- I would really like some help with \*\*\*\*\* handwriting and have been waiting for about 6 weeks for Mrs Dew to get back to Mrs Buzeta.
- Thank you for all of your hard work. I hope you all get a well deserved rest over the holidays.
  
- Since my children started CCSJ following bad experience at another school. They have done so well. The best thing I ever done was bring my children to CCSJ. Amazing school.
- Behavioural issues should be addressed more effectively (child n 5LD)
- Maybe give more than ½ pieces of HW. More after school clubs and residential for yr5. Would be amazing if plays could be recorded and parents can buy them from the school (can't see stage with parents trying to capture).
- I try my best to get good communication between me and the school, however they try to keep me away or not that much as I wanted. Some teachers are very friendly, example \*\*\*\*\* teacher in year 4 and this year as well.
- More care in the playground
- Today's play 'Aladdin' was so good. Am really impressed by the children's confidence. And it shows teachers and headteachers great effort and hard work.
- Today play was really good we enjoy a lot we can see teachers and head teacher hard work school look really good and clean now
- I feel that the curriculum that my child is working towards at this school should deliver in such a way that my child can be better prepared for subjects such as Science, Engineering, design and Geography etc. I feel that the provision should be improve to support the above.
- Please could the curriculum assemblies not always be on the same time/day? However, thanks for putting them on the calendar. Also please could we have as much notice as possible re INSET days for those who work. Thanks.
- More help with reading and writing. I suggested a long time ago for extra homework to help with both \*\*\*\*\* and \*\*\*\*\* progress on at least two time and never received it.
- A lot of issues brought to attention wasn't dealt with appropriately. I know there are behavioural issues but no one followed through with helping us. But, as of late, we are finally being listened to. Obviously depends on who you speak to get problems solved.
- Very pleased with the progress CCSJ has made as a school over the past few years.
