Summary of comments:

- It's a struggle now we have to go through the same gate –as there is not enough room for pushchairs, etc.
- Thank you, Merry Christmas!
- I think this is an excellent school and am extremely happy with the level of teaching and the amazing range of activities and days out that are on offer – Thanks!
- Excellent school with great emotional support and opportunities for creativity. My son is able to flourish as an individual and develop social skills
- More outside learning needed. More ability to run around in school time. I would like more ideas/understanding how I can support my child to learn numbers/write/read
- Very happy with the school, particularly creative opportunities – music, dance, etc and forest school.
- Do not agree with the mornings waiting outside the gates on a very busy road and cars pulling into the main carpark. Needs to open gates earlier!! I do not leave my children!!
- It would be great if the school communicated more clearly, e.g. telling new parents more about the school, email updates. But overall it's been a fantastic first term for my child.
- Concerns regarding the carpark in the mornings as my 4 year old was nearly hit by a taxi not looking and going fast out of the car park! I wasn't impressed!
- Bit more notice on letters home for activities, XXX etc. would be appreciated.

- Super school!
- More traffic wardens
- I would love if the school would do something about the road and the parking. The small gate when we pick our children from 4,5,6, it gets very busy. My son says the XXX needs to change please. Thank you.
- **** started mid-Nov and so far it's fabulous. The teachers have been great helping him settle in and **** seems really happy. Thank you.
- Think the 100% attendance is a bit cruel. Don't want to teach my child to ignore her body and take risks with his health.

- Improved communication via Facebook/App more notice so working parents can get time off. We love the school
- It would be useful to have an indication of progress during the year – I know levels have been abolished but having been used to them until year 4 it is hard to know relative progress know.
- It would be nice for the children to do other activities within the community other than with the church
