Summary of comments:

- Keep doing what you're doing – being warm, friendly, welcoming and helpful
 - Excellent school
 - I would like to say more but my daughter is only in nursery, but so far I am pleased
 - My child is really enjoying school. Keep it up!
 - I feel it would be safer to open gates ahead of time and not leave parents/children by the road. And open on time instead of leaving them to be cold and wet – the support could be up a lot more and be more available to talk to parents when said.
 - I would like the possibility of having my child siblings (who are in this same school) in all celebrations, like to one we had today, to support and enjoy the performance as a family.
 - My son loves coming to school each day
 - Drop off and pick up is hazardous. Overall I highly rate the school.
 - I feel sometimes teachers should speak and reflect child's behaviour to both children involved before informing parents
 - More active after school clubs
 - Excellent school
 - You are all amazing. From the admin staff/ground keepers, teachers to the head. Thanks
 - I am quite happy with my child -getting better
-
- Informing parents what they are learning each term, also homework should be reflecting on what they are learning in Maths and English
 - Just a little wish with the children's uniform and school bags. I wish they all went in proper school uniform, carry a school bag and with black shoes. Overall everything is good
 - I need more help with reading with my child. Please could after school club be easier to book. Please could you sort out the parking outside school – parents are parking anywhere and it is dangerous.
 - Thank you so much for everything. One small request: more advanced notice for school events with parents would be great. Work commitments can be really tricky.
 - My child's teacher is wonderful - really helpful, happy and polite. X adores her.
 - I'm very proud of the school because the environment is different
 - I think children playing outside should be weather dependent
 - Starting foreign language teaching in early years and all the way through to year 6.
 - It's simply amazing
 - Have a great rest over Xmas!
 - Thank you
 - It feels like communication from the school has improved over the past year; looking forward to more of that
 - The only observation I have from your team is that as parents we would like to see more of the sessions with the teachers. Not necessarily 1:1 parent/teacher sessions but where we all meet by class/year and discuss matters and plan a bit more. Merry Xmas everyone! You are doing a fantastic job!
 - I've generally been pleased with the school's pastoral support but more attention could be given to equality issues in KS1 e.g. gender
 - Thank you! Much appreciated all of your hard work
 - It's all good!
-
- Just happy he [my child] is here!
 - I think there should be more focus on homework, just one piece a week but this should be encouraged to be completed and class teacher should feedback more to the child
 - Use a microphone at performances and assemblies, particularly when one shy child is speaking on his/her own, or even to help hear the teachers when they address the audience
