Summary of comments:

- X has had a really good first term. Very interested in learning
- I'm happy with my child in this school. Teachers are friendly and helpful to our kids
- Delighted with the school! Both X and X are loving it! Thank you!
- Everything is very good
- 1: Communication is extremely poor – as a working parent who does not directly collect their child I cannot check a sign on the door. 2: Too many last minute requirements e.g. for non uniform. 3: Reading books are not changed/assessed frequently enough
- Fantastic school and staff
- The road is an issue. As is communication
- Allow me to log onto Tapestry!

- X really enjoys school!
- I would like more music classes after school. I am not happy that multi-sports club became a paid activity
- So far so good!
- I am happy with the school overall but my son has some unusual needs at times and my only worry is that the classes are too large and noisy and cause difficulties with his concentration and behaviour. However, I don't think there is much you can do about this. He is learning lots and always brings home lots to practise but he has a need of more attention, if there was anyway to give it. Thank you for all you do.

- Please do something about the parking outside the school gates before something happens to one of our children!
- Thank you for everything!
- Just wanted to say thank you for all the hard work you all do – all the year round, not just at Xmas! Best wishes for the future
- Sort out the cars at the front of the school during start and end of day, maybe get the kids involved by making posters and displaying at the school gates

- Very good school!
