

'Our aspiration is to enable all children to develop their capacities as successful learners, confident individuals, responsible citizens and effective contributors to society.' The curriculum is planned around five key skills; Investigate, Analyse and Synthesise, Create and Develop, Communicate and Evaluate, in addition we cover the National Curriculum to enable the children to have a broad and well balanced experience.

Important dates this term

Tuesday 5th June:

Trip to the Synagogue, Jericho

Week Beginning 11th June

Phonics Screening

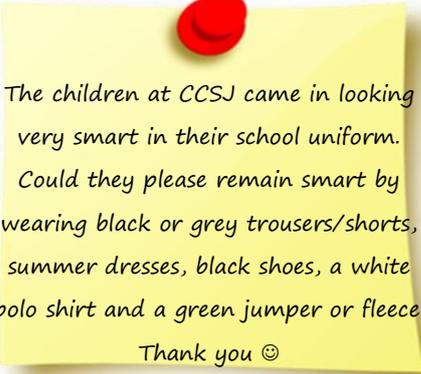

June 25th

Sports Day (Year 1 and 2)

23rd June

Sunfest

A note from the teachers:

The children at CCSJ came in looking very smart in their school uniform. Could they please remain smart by wearing black or grey trousers/shorts, summer dresses, black shoes, a white polo shirt and a green jumper or fleece.

Thank you ☺

Days to remember:

RE week (4th-8th June)

Maths homework will appear on the Active Learn website on a Friday.

P.E. is on a **Friday**. This term it is athletics and will be outside.

English:

This term we will be exploring Cinderboy, a modern retelling of Cinderella. This links into our topic around sport as well as thinking about traditional tales. We will consolidate the work we have done through the year such as finger spaces, capital letters, full stops, conjunctions and using our phonics for spelling. It would be good to share and read other traditional stories with your children.

The children will then look at an instruction text on how to prepare a recipe for a healthy meal. This will include learning about imperative verbs (bossy verbs) and using commas in a list.

Maths:

This term we will be consolidating bonds to twenty, addition, subtraction, multiplication and division. We will also review time, including half past, quarter past and quarter to.

Encourage your child to tell you what time it is using analogue and digital clocks and encourage using the words 'quarter past', 'half past' and 'quarter to'.

Topic:

This term our focus will be on science. We will be learning about our bodies and how they work including the various muscles. We will also be examining how exercise changes our body and seeing if we can improve our own fitness levels. Now that it's warmer, why not try some new sporting activities and talk about how they make your body feel and which muscles are being used.

Phonics this term:

We will be consolidating Phase 5 and revising all sounds learned so far. Please continue to read every day with your child to support their phonics development. The phonics screen is very soon!

Punctuation and

Grammar focus:

Finger spaces,
Capital Letters,
Full stops,
Conjunctions,
Adjectives,
Bullet points,
Imperative verbs

Maths focus:

Time
Consolidating calculation strategies (addition, subtraction, multiplication and division).

Books to share:

Any traditional tale
e.g. Jack and the Beanstalk, Little Red Riding Hood
Non-fiction: body, health and fitness.

We are looking forward to all the fantastic learning taking place this term, if you have any questions or would like to get involved in any of the topic please come and see us.

Best wishes

Miss Cooper and Ms Buzeta
