1.2 The Governors will delegate authority to a Committee, an individual Governor, or the Headteacher. Any delegated authority to a Committee the Governing Body will be established through 'terms of reference' for that Committee. To delegate authority to an individual Governor or the Headteacher, the Governing Body will establish a 'schedule of delegation'. The 'terms of reference' and the 'schedule of delegation' will be documented, minutes as approved by the Full Governing Body and annually reviewed and updated where needed.

1.3 The financial role of the Finance Committee is set out in the Committee's Terms of Reference approved annually by the Governing Body.

1.4 The Finance Committee interacts with the other Committees, to advise on appropriate means by which their requirements which have budget implications can best be met.

1.5 The Headteacher/Senior Leadership Team is responsible for ensuring that Budget Plans are drawn up that reflect the educational priorities for the school as set out in the School Development/Improvement Plan.

1.6 **School Bursar** is responsible for:

- Preparing annually a Budget in accordance with 1.4 above, discussing it with and obtaining the approval of the Headteacher/Senior Leadership Team and thereafter the Finance Committee and Governing Body, subsequently submitting the Budget to Oxfordshire County Council within the statutory outlined detailed in section 3.2 below, and obtaining their validation.
- Ensuring the prompt and accurate recording of all financial transactions on the school's accounting records, ensuring that sound systems of internal control are in place that enables the proper processing of the school's transactions.
- Liaising with external agencies including major suppliers and Oxfordshire County Council's finance officers¹ to ensure the school's best financial interests are met.
- Monitoring all income and expenditure and acting accordingly.
- Working within the financial limits agreed by the Governing Body. These are set annually and are equal to the agreed budget for each cost centre.

1.7 Individuals within the school are responsible for ensuring that expenditure necessarily charged to their cost centre is made within the educational priorities of the school and their department's part in those.

1.8 The Finance Office staff are responsible for the financial administration of the school including:

- accounting records,
- the placing of approved orders,
- the processing and payment of agreed invoices,

 - finance administration of staff appointments, resignations etc., and
 - maintaining input of personnel data to SIMS system and financial administration of school trips
- 1.9 The school has a Register of Pecuniary Interests for the governors and staff, which is kept by **School Manager**. In addition, anyone involved in purchasing items or services in school is required to declare any personal interest in the transaction.
- 1.10 A strategic development plan is formulated and agreed each year for the next three years, the first year to be produced in detail, the following two years in draft. This plan is prepared in the first instance by the Headteacher/Senior Leadership Team/Finance Committee. It is then put to the full Governing Body for approval.
- It includes details of projected expenditure on buildings (looking at both capital and repairs and renewals), long term contracts and commitments and staff development. Governors assess long term staffing costs, particularly when restructuring is being considered. The plans must conform to the school's aims and objectives and reflect the integration of cost related academic proposals as shown in the curriculum development plans.
 - The plan is reviewed and updated annually with objective criticism, review and assessment minuted.
- 1.11 Compliance with these Internal Financial Procedures and the OCC's Financial Manual of Guidance is mandatory and any contravention of procedures must be brought to the attention, in the first instance, of the Headteacher.
- 1.12 All policy documents, including this document, maintained by the school will be annually reviewed and considered and agreed by the Governing Body.

- 3.1 The school's aims and objectives are set out in the School Development/Improvement Plan and supported by other appropriate plans such as Asset Management Plan, as approved by the Governing Body.
- 3.2 The timing of the preparation of the annual Budget will by necessity be largely driven by the provision by OCC of allocation figures. Formal submission of the Budget, as approved by the Governing Body or nominated sub-committee, is required by the specified date of the relevant financial year.
- 3.3 The detailed preparation of the Budget is completed with the aid of the prescribed budget planning tool, determined by OCC. Budget plans will cover a three year rolling period.
- 3.4 Individual Departments (including curriculum and administrative) are allocated sums on the basis of costed development plans. These plans are translated into bids for funding and are accepted alongside:
 - Statement of account for the previous financial year.
 - The previous financial years bid.
- 3.5 Budget Monitoring reports, for use in school with governors and the local authority, have been developed in which variances are highlighted for discussion and appropriate action. A summary printout of departmental budgets is provided to cost centre holders each month, with more detailed breakdowns of costs supplied on request. Monthly budget monitoring reports showing each cost centre is provided to the Headteacher/ Senior Leadership Team. - 4.1 All elements of the approved Budget are in the charge of the respective cost centre holder on whose authority monies may be spent from that cost centre. Control and authorization hierarchy is specified by the OCC provided accounting system.
- 4.2 Financial orders are made by means of purchase orders being produced from the school's accounting computer records. These are generated by the Finance Office from purchase order requisitions that have been duly authorised by cost centre holders.
- 4.3 Purchase orders will be approved in accordance with the school's authorization hierarchy before dispatch electronically to suppliers.
- 4.4 The school has **one** authorisor. He has delegated authorisation as follows:

(Headteacher) £100,000

Whenever any entry is raised in the school's accounts it automatically transfer to the workflow of the appropriate authoriser. The requirement to keep supporting paper documentation is not required.

- 4.5 On receipt of goods, delivery notes are checked to the numbered order for quantity and will where appropriate be goods receipted in the accounting system. This will in turn, where appropriate, generate electronic payment.
- 4.6 Alternatively, supplier invoices will be checked to the numbered order for quantity, price and calculation. The delivery notes/invoices are then authorised by the relevant cost centre holder to confirm receipt of goods/services. Invoices are sent electronically by the supplier to Hampshire IBC for matching against purchase order and delivery notes, then processed for payment.
- 4.7 The School Bursar holds detailed procedures relating to the school's financial systems and is responsible for keeping them up-to-date and ensuring they comply with LA requirements. When new LA procedures are issued School Manager is responsible for alerting staff and governors, updating the school's procedures as required and keeping copies of the latest OCC procedures.

6 COMPUTER SYSTEMS

- 5.2 All risks will be reviewed annually to ensure that the cover is adequate.
- 5.3 All contractors must have public liability insurance to a minimum level of £5million, before they are allowed to undertake work on school premises. Voluntary workers will be covered under the OCC insurance policy (as long as they come under the direct control and supervision of a member of staff from the school).
- 5.4 People hiring the school premises and using facilities can either be covered by the school's insurance at an additional cost or must produce evidence of valid public liability insurance with indemnity up to £5million.
- 5.5 The headteacher will inform the OCC Insurance Team of all new risks, property and equipment as soon as possible to ensure cover details can be updated.
- 5.6 The Headteacher must notify the OCC Insurance Team of any accident, losses or incidents which might give rise to an insurance claim. Should a letter of claim be received by the school, it must be immediately passed onto the OCC Insurance Team to deal with and investigated. The school should not reply to any contact from solicitors firms.
- 6.1 The school's principal accounting records are held within OCC's main accounting system. Other administrative areas, such as Pupil records, are held on the administrative computer network, using SIMS or other software, together with proprietary commercial software e.g. Microsoft Excel, Microsoft Word.
- 6.2 The school is registered annually under the 1998 Data Protection Act. The registration requires a single Data Controller to be named and the named Data Controller in the school will be the Headteacher.
- 6.3 The accounting system is protected by access permissions to authorised staff. Access permissions should be strictly controlled and individual log-ins should not be compromised. All leavers with previous access to the accounting system must have their access permissions formally removed.
- 6.4 The local network is under the overall control of **Turn It On**. All users have login identities and passwords, which are required to be changed on at least a termly basis.
- following insurance cover² as a minimum:
- Buildings and Contents

 - Motor insurance (where applicable)
 - Engineering Insurance

7 PURCHASING

- 7.1 The immediate responsibility for ensuring that the school obtains best value for money in its buying decisions lies with individual cost centre holders, the skill and wisdom with which they make these decisions will clearly have an impact on their area of activity and thereby their overall effectiveness.
- 7.2 For items costing between **£1,000** and **£5,000** cost centre holders must obtain three written quotations. If the supplier chosen is not the cheapest or three written quotations could not be obtained then a record is kept to explain why the more expensive supplier was chosen or why three quotations were not possible.
- 7.3 For items costing between **£5,000** and **£10,000** a check should be made with the Corporate Procurement Team to fully utilise their expertise. Three quotes must be obtained and a record kept if the cheapest is not chosen. All such items will be reported to the Finance Committee.
- 7.4 For items costing between **£10,000** and **£25,000** a check should be made with the Corporate Procurement Team to fully utilise their expertise. Three quotes must be obtained and the purchase must be approved by the Finance Committee.
- 7.5 Oxfordshire County Council's Contract Procedure Rules require competitive quotations to be sought for contracts valued between £25,000 and £75,000 over the whole life of the contract. The Corporate Procurement Team should be consulted to fully utilise their expertise.
- 7.6 For contracts between £75,000 and below the European Union (EU) threshold, OCC's Contract Procedure Rules require a sufficient number of persons or bodies to be invited to submit tenders, to ensure genuine competition. Good practice suggests that the number should be a minimum of 3 and a maximum of 6. The Corporate Procurement Team should be consulted to fully utilise their expertise.
- 7.7 For building consultancy advice, the school ~~has~~ ^{SO ammended 30.10.2018} not subscribed to the County provided service. Where the school has subscribed, and whilst there is a cost implication in this approach, because the service provider charge a fee on a percentage basis of orders placed by them on the school's behalf, it is considered that the provider can direct the school to builders whose prices are again set at countywide levels. Furthermore, the provider can advise the school on the relevant planning, and health and safety implications of building proposals.
- 7.8 Orders for goods and services are, unless exceptional circumstances dictate otherwise and are approved by **Headteacher** made using formal order documentation, generated from OCC's main accounting system as detailed in 4.2 above.
- 7.9 The OCC main accounting system records orders generated by it as commitments against the particular cost centre allocation.
- 7.10 Invoices are passed on receipt to the appropriate fund holder who signs them to acknowledge that the items have been received, they are satisfactory, and that payment may be made. Approved invoices are then passed to the **Finance Officer** for payment as detailed in 4.6 above.
- 7.11 The Governing Body will be responsible for approving the use of Procurement cards and the named card holders in school. Any cards held by anyone other than the Headteacher/School finance officer/Bursar will be linked to a specific cost centre and should only be used to purchase goods from that cost centre.

- 9.2 The Governing Body will produce and approve an annual maintenance plan which sets out the priorities for building matters, within the overall context of the School Development Plan and linked to the school's financial budget, and giving due consideration to security and health and safety issues.
- 9.1 The Tangible Assets of the school fall into the following categories – Land and Buildings, Furniture, Fittings and Equipment and Consumables.

9 ASSET SECURITY

- 8.6 The Headteacher is responsible for ensuring that the statutory obligations around the safe recruitment process are administered and the School Manager by the school in a single central record.
- 8.5 The School Bursar will perform a full payroll reconciliation against the employee information within the three year budget planner at least three times a year. A copy of the payroll report will be signed and dated by the School Bursar completing the review and countersigned by the Headteacher to confirm that the checks have been carried out and that they are aware of any queries raised with Hampshire's IBC.
- 8.4 The School Bursar will obtain monthly reports from the OCC's main accounting system to check that transactions for supply staff, casual staff and overtime have been made against authorised claim forms submitted and investigate whether the month's actual expenditure is within 1% of budgeted payroll transactions. The Headteacher should review and sign the report to confirm that the checks have been carried out and that they are aware of queries raised through Hampshire's IBC.
- 8.3 All staff are paid monthly by bank credit transfer to their bank account from an Oxfordshire County Council account.
- 8.2 Personnel information is held in manual files under the guidance of the Headteacher with access strictly limited to authorised officials, and separately on the SIMS computer system, for which relevant registration under the Data Protection Act is held as detailed in 6.2 above.
- 8.1 The payroll is administered by Hampshire County Council (HCC) on behalf of the school, as part of the school's subscription to the Pay and Contract Support Service from HCC Integrated Business Centre (IBC). Amendments to payroll data e.g. appointments, resignations, pay changes and overtime, are entered by the school onto the IBC portal, a web based service, after being authorised by the Headteacher.

8 PERSONNEL AND PAYROLL

The monthly spending limit for cardholders is £1,000. Limits can be raised on a temporary basis when major purchases are necessary by reference to the OOC's Banking Team.

Procurement Cards are held by **Headteacher, School Manager and Site Manager**. Each Cardholder is **personally responsible** for the safe custody of their card. The card should be held securely at all times and any loss of cards should be reported immediately. Both the Cardholder and the Cost Centre Manager are jointly liable for the integrity of all transactions and proper and controlled use of the Procurement Card. All receipts must be produced and reconciled to the monthly statement by the **School Manager** and signed off by the Headteacher.

- 9.3 The immediate responsibility for the safeguarding of equipment lies with the end user departments; in support of this the school provides security measures, including caretaker cover, burglar alarm systems, inventories, security marking, maintenance and support agreements where appropriate, and insurance cover via the OCC scheme.
- 9.4 Consumable items e.g. stationery purchased for general use are safeguarded by the School Manager. The School Manager keeps a watching brief on quantities ordered and the frequency of ordering.

- Donations, sponsorship and non-LA administered grants;

In such circumstances charges are determined at the discretion of the Headteacher. The "Lettings/Hiring Policy" sets out the detail. This document is reviewed annually. This is not applicable as we do not hire out the school premises.

10.4 Bookings for lettings are made through the School Manager. The School Manager produces a list of hirers for invoices to be prepared and sent by the Finance Office with a booking form for the following terms requirements. Payments for invoices raised through the accounting system will be processed in accordance with guidance issued by the local authority. The school accounts will be credited at the time at which the invoices are raised. This is not applicable as we do not hire out the school premises.

10.5 All income is banked promptly and in full.

10.6 The OCC accounting system provided through the Hampshire IBC will chase all outstanding sums on school invoices raised through it according with the agreed debt recovery protocols. Once these processes have been exhausted the debt will be passed back to the school to agree the next course of action.

All debts can only be written off in accordance with OCC regulations.

10.7 Certain curriculum departments generate some income through entrepreneurial activities. Such fees should be made in accordance with the "Policy on Charging for School Activities".

11 BANKING ARRANGEMENTS

- 11.1 The school's main bank account is held by Oxfordshire County Council.
- 11.2 The school also holds a local expenditure bank account for incidental payments that cannot be made through the purchase orders process as outlined in section 4.2 above and a direct credit account to collect income made to the school by outside organizations or individuals that are swept daily into the main account.
